Our products and services

Ezidebit is authorised to:

- Provide financial product advice about non-cash payment products; and
- Issue, apply for, acquire, vary or dispose of non-cash payment products.

You should be aware that in providing these services, Ezidebit will provide general advice only and will not take account of your particular needs, objectives or financial situation. You should carefully consider the appropriateness of our Services to your own circumstances before you act on any advice we provide.

Benefits received by Ezidebit

Fees and charges

The PDS sets out the fees and charges that apply to our services. See page 7.

Ezidebit staff

Generally, Ezidebit's staff are salaried employees and do not receive any commissions or fees calculated by reference to the sale of products or services.

Sales representatives may receive a sales commission based on the volume of sales and the level of revenue generated from such sales, which may vary from time to time.

You may request further particulars of these commissions by contacting Ezidebit on the details above, however, such a request must be made within a reasonable time after you have been provided with this FSG and before any financial service identified in this FSG has been provided to you.

Referrers

If you have been referred to Ezidebit by a third party, Ezidebit may have an arrangement with that third party to pay remuneration (including a commission) for the referral.

Resolving your complaints

Ezidebit is committed to resolving any complaints about our services fairly and efficiently.

Step 1

If you have a problem or complaint about our services, please contact Ezidebit on either (07) 3124 5500 or 1300 763 256. In most instances, Ezidebit will be able to resolve your concern over the phone.

Step 2

If you are unsatisfied with how your complaint is managed, you may lodge a formal complaint by contacting Ezidebit on the details set out in this FSG.

Ezidebit will, within five (5) business days of receiving a complaint, acknowledge receipt of the complaint and include in the response:

- details of Ezidebit's complaints handling procedure
- the name, title and contact details of the Client Support manager who will be handling the complaint
- if the complaint has not been dealt with fully in the first response, then a reasonable estimate of the time it may take Ezidebit to resolve the complaint
- details of any remedies available to you in respect of the complaint, if applicable.

We will seek to:

- Acknowledge receipt of all complaints within 5 business days.
- Resolve all complaints within 14 days. Where we cannot resolve a complaint within 14 days, we will tell you about the reason for the delay and details about when we expect to resolve the complaint.

Ezidebit will notify you of its decision about your complaint, setting out clear and concise reasons, and inform you of the avenues open to you if you are not satisfied with the response of Ezidebit.

Step 3

We are a member of the Financial Ombudsman Service (FOS), an independent external dispute resolution scheme. For more information on FOS, please visit www.fos.org.au.

If you are unsatisfied with how your complaint was dealt with or resolved, or your complaint was not resolved within 45 days you have the option of contacting FOS. FOS can be contacted by calling 1300 78 08 08 or by writing to:

Financial Ombudsman Service
GPO Box 3
Melbourne Vic 3001

Compensation arrangements

Ezidebit has professional indemnity insurance in place for itself and its representatives that satisfies the requirements for compensation arrangements under section 912B of the Corporations Act.

Product Disclosure Statement (PDS)

This Product Disclosure Statement (PDS) is an important document. It provides information in relation to our Services to assist you in making an informed decision about whether the Ezidebit Services will meet your needs.

Please read all of this PDS (and the Ezidebit Terms and Conditions) carefully before deciding whether to lodge an application, or utilise, the services.

The information in this PDS is current as of the date of issue. The information in this PDS may change from time to time. If the change is not materially adverse to you, we may notify you of the change on our website at www.ezidebit.com. You may obtain a free paper copy of any updates by contacting us by one of the methods set out in this PDS. We may also update this PDS by issuing a Supplementary PDS.

Benefits

A summary of the key benefits is set out below:

Simple to use	The Ezidebit Payment Systems are simple to set up and easy to use. You can accept payments from both credit cards and bank accounts. Debits can be managed through your software or ours, online and in real-time.
Payment convenience	You can offer your customers multiple payment options, making it easier to collect payments from your customers.
Payment scheduling flexibility	Your customers' payments can be for fixed or variable amounts, at regular intervals or for single transactions.
Reduce costs/ increase efficiency	When you use Ezidebit, you are managing your revenue in one central platform, assisting you to reduce costs by removing the need to manually reconcile payments on your bank statements, or uploading files to another system.
Improve cash flow	Every business deserves to be paid on time, in the simplest way possible. By setting your customer's recurring payments on auto-pilot, you are improving your cash flow position.
Integration with your software	You can offer your customers multiple payment methods, in our software or yours. A growing list of integrated business management software is available on the Ezidebit website.
Cleared funds	Payments settled to your account are cleared funds and so you won't have to adjust your accounts for dishonoured payments.
Reporting	Ezidebit can provide comprehensive reporting tools in Ezidebit Online including details of your payment receipts, new customers, payment dishonours and summary information to help you reconcile your revenue.
Data security	Ezidebit holds the highest level of payment security, Payment Card Industry Data Security Standards, Level 1. As an Ezidebit client, you are outsourcing the cost of PCI compliance to us, ensuring your customers' data is safe and secure.
eCommerce payment in real-time	You can set up an online store and collect your revenue with Ezidebit. The Ezidebit Payment System can be integrated with your existing website shopping cart, or integrated with selected business management software to automate payment reconciliation. A list of presently supported business management software referred to above is available on the Ezidebit website.

Risks

Using our services carry some risks, some of which are outside of the control of Ezidebit. A summary of the significant risks is set out below:

Payment reversals/ Chargebacks	If you receive a payment that is reversed or charged back for any reason, including because the payment was not authorised by the customer, you will, unless we agree otherwise, be liable to us for the amount of the reversed transaction, plus any fees we incur as a result of the reversal.
Returned payments	You will be charged service and transaction fees by us for transactions undertaken by customers, even if the transaction was not successful or the payment is dishonoured. Also, additional dishonour fees may apply.
Holding back funds or set off	We will hold the funds directed to you using our Ezidebit Payment Systems. These funds will not be forwarded to you until cleared but, in some cases, may not be forwarded to you on clearance. If Ezidebit suspects that you have acted fraudulently or illegally, Ezidebit reserves the right to hold associated monies until the issue is resolved. Ezidebit may also have the right to debit an amount from your account against amounts you owe us.
Unauthorised access to your Ezidebit Online account	Unless you take adequate security precautions, it may be possible for unauthorised persons to gain access to your account and use and view your information or send us instructions using your passwords. You should always ensure that appropriate steps are taken to reduce this risk.
Service disruption	Use of our service may be disrupted if technology or systems employed by Ezidebit, our partner financial institutions or other businesses involved in the payment process fail for whatever reason, and may result in delays in payments being processed by Ezidebit and credited to your account.

Taxation Implications

All funds received by you from your customer through use of the services will usually have the same character from a taxation perspective as funds received by you from customers through traditional payment methods. You should obtain independent taxation advice as this may not be the case for all payments and the payment of fees and charges charged by Ezidebit in relation to the services may not be deductible in all circumstances.

Fees and charges

The fees and charges that apply to our services will be set out in your Customer Services Agreement. These will be based on the standard fees and charges set out in the fee schedule below. You can choose to pay these fees or you may pass some of these fees to your customer. Ezidebit may waive, vary, or reduce the fees and charges, at its discretion, in certain circumstances.

Ezidebit will deduct the fees and charges from amounts paid by customers using our Direct Debit, BPAY®, or eCommerce services.
