- 9.2 Ezidebit reserves the right to hold such monies for a period of 6 months, or until such time as relevant circumstances in clause 9.1 giving rise to withholding by Ezidebit are resolved. You agree to immediately (but in any event, not longer than seven (7) days after being requested) provide Ezidebit with such information as it requests to determine whether the Customer Fees should lawfully be paid to You. If Ezidebit is not, in its sole and absolute discretion, satisfied with the response provided, Ezidebit may, in its sole discretion, return the Customer Fees to the Customer, and You shall have no further right or Claim against Ezidebit for not transferring the Customer Fees to You.

20. GST

- 20.1 Terms used in this clause that are not otherwise defined in this Agreement have the meanings given to them in the GST Law.
- 20.2 All consideration provided under this Agreement is exclusive of GST, unless it is expressed to be GST-inclusive. Where a party (**Supplier**) makes a taxable supply to another party (**Recipient**) under or in connection with this agreement, the Recipient must pay to the Supplier an additional amount equal to the GST payable on the supply. The additional amount must be paid by the Recipient at the later of:
- 20.2.1 the date when any consideration for the taxable supply is first paid or provided; and
 - 20.2.2 the date when the Supplier issues a tax invoice to the Recipient.
- 20.3 If an adjustment event varies the amount of GST payable by the Supplier in respect of a supply under this Agreement, the Supplier will adjust the amount payable by the Recipient to take account of the adjustment event. Any payment will be made by the Recipient to the Supplier or by the Supplier to the Recipient within ten (10) Business Days of the Supplier becoming aware of the adjustment event. Any payment under this clause is deemed to be an

increase or decrease (as appropriate) of the additional amount payable under clause 20.1. The Supplier will issue an adjustment note to the Recipient within ten (10) Business Days of becoming aware of the adjustment event.

- 20.4 If the GST payable in relation to a supply is less than the amount that the Recipient has paid the Supplier under clause 20.1, the Supplier is only obligated to pay a refund of GST to the Recipient to the extent the Supplier receives a refund of that GST from the Commissioner. For the avoidance of doubt, this clause 20.4 does not apply in relation to adjustment events.
- 20.5 Clauses 20.1, 20.3 and 20.4 do not apply in relation to a particular supply where either of the following apply:
- 20.5.1 the consideration for the supply is expressed to be GST-inclusive; or
 - 20.5.2 the GST is payable on the supply by the Recipient.

Other GST matters

- 20.6 Subject to an express provision in this Agreement to the contrary, any payment, amount, reimbursement or indemnity required to be made to a party (the Payee) under this Agreement that is calculated by reference to a cost, expense, liability or other amount paid or payable by the Payee to a third party (**Expense**) will be calculated by reference to that Expense inclusive of GST, less the amount of any input tax credit which the Payee is entitled to claim on that Expense. The Payee is assumed to be entitled to a full input tax credit on an Expense unless it demonstrates otherwise before the date the payment, amount, reimbursement or indemnity is required to be made.

21. CONFIDENTIALITY AND NON DISCLOSURE

 - (b) the Customer agrees to accept BPAY Payments through the MB Biller Code.

2. AUTHORISATION

- 2.1 The Customer agrees to receive payments through BPAY Payments made using the Payment Methods.
- 2.2 The Customer authorises the Institution, and directs the Master Biller to authorise the Institution:
- (a) to accept Payments for the Customer made using the Payment Methods; and
 - (b) to credit and debit to the Account all amounts contemplated under this agreement.

Without limiting clause 2.2 in any way, the Customer authorises the Institution to make debits and credits to the Account as and when necessary to effect Payments and Adjustments made using the Payment Methods, and whether that Payment or the original transaction to which that Adjustment relates occurred before, on or after the date of this agreement.

- 2.3 The Customer agrees to do all acts, including without limitation executing any documents and other instruments, and give any consents, necessary to give effect to the authorisations in clauses 2.2 and 2.3.
- 2.4 The Customer may not give the Institution any instruction or direction, whether concerning the operation of an Account or otherwise, which is inconsistent with any authorisation or other provision of this agreement, and the Institution is entitled to disregard any such inconsistent instruction or direction.
- 2.5 The Customer acknowledges for the benefit of the Master Biller and the Payer Customers of the Customer that a Payment or Adjustment made to the Institution in its capacity as representative of the Master Biller will be treated as having been received by the Customer on the Settlement Date for that payment, whether or not it is in fact received by the Customer on that day.

- 5.2 The Customer acknowledges and accepts that its ability to receive Payments through BPAY Payments may be suspended or terminated, without prior notice to the Customer, if the participation of the Master Biller or the Institution in BPAY Payments is suspended or terminated.
- 5.3 If for any reason beyond the Institution's or Master Biller's control a Payer Customer effects a payment to the Customer through BPAY Payments by which that Payer Customer's Payer Institution receives value, but an equivalent value is not received by the Institution, the Institution is not liable to the Customer for that value not being credited to its Account, or if already credited, being debited to the Account by way of an Adjustment.

6. PROMOTIONS AND ADVERTISING

- 6.1 The Master Biller is entitled to sub-licence use of the Marks and grants the Customer a sub-licence to use the Marks including the BPAY logo and name in the manner specified in this agreement and the Standards Manual for the purposes of advertising its participation in and promotion of BPAY Payments to Payers and for no other purpose. The sub-licence granted pursuant to this clause terminates immediately on termination or expiry of the Master Biller's right to sub-licence use of the Marks or on termination or expiry of this agreement.

 - (a) not to contest or in any way impair any rights of BPAY to the Marks; and

- 6.3 Any use of the Marks by the Customer which is not in compliance with the requirements of this agreement or the Standards Manual and which is not promptly discontinued following written notice from the Master Biller to discontinue such use will be regarded as adequate ground for termination of this agreement.
- 6.4 The Customer is not entitled to licence or assign the right to use any of the Marks whether by sale, consolidation, merger, amalgamation, operation of law or otherwise.
- 6.5 The Customer must use the appropriate denotation or legend of trademark registration or ownership in connection with the Marks, as required or consented to by the Master Biller.
- 6.6 If the Customer desires to use a denotation or legend of trade mark registration or ownership in connection with any mark (other than the Marks), but used in association with or on the same printed matter as the Marks, it may do so provided that:
- (a) such use will not adversely affect the rights of BPAY in the Marks;
 - (b) the specification for such use is notified in writing to the Master Biller, and the Master Biller gives its written approval to that specification prior to such use.
- 6.7 The Customer must not use the Marks in such a way as to create an impression that the goods or Services offered by the Customer are sponsored, produced, offered or sold by the owner of the Marks. The Customer must not adopt "BPAY" or any other Mark as any part of the name of its business or apply it to any goods or Services offered for sale.
- 6.8 The Customer must immediately on becoming aware of any infringement or potential infringement of the Marks notify the Master Biller.
- 6.9 If any claim is asserted or legal proceedings commenced against the Customer for alleged infringement of any rights held by a third party by reason of the use of the Marks, then the Customer must when it becomes aware of that claim or legal proceedings:

6.12 The Customer consents to the use of its name and main trading logo in lists and in promotional material by BPAY, the Master Biller, Payer Institutions and the Institution.
